PROTESTED by W.B. Bierce, January 20th, 1913.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-
cation, and do hereby grant the same, subject to the following lim-
itations and conditions:

This permit is issued with the understanding that all of the water
will be returned to the main channel above any of the present points
of diversion of the vested rights for irrigation use; and further
that the constant flow of the stream will at no time be conserved or
impounded in such a manner as to deprive any of the vested users of
their rights. The State reserves the right to regulate the use of
the water herein granted at any and all times in order to insure the
proper distribution thereof.

The amount of water to be appropriated shall be limited to the
amount which can be applied to beneficial use, and not to exceed
Ten (10) cubic feet per second.

Actual construction work shall begin on or before September 2, 1916.

Proof of commencement of work shall be filed before October 2, 1916.

Work must be prosecuted with reasonable diligence and be completed
on or before March 2, 1918.

Application of water to beneficial use shall be made on or before
May 2, 1919.

Proof of the application of water to beneficial use must be filed
with ~~xxx~~ State Engineer on or before June 2, 1919.

WITNESS MY HAND AND SEAL this 2nd day of June, 1916.

Cancelled APR - 9 1917 because of failure of
applicant to comply with provisions of permit.

W. M. Kearney
State Engineer.
